

Dormitory Contract Renewal Intent Form

Date: March 23, 2026

Dear Tenants,

Greetings!

As the school year comes to an end, I hope that A & E Building Management and staff have delivered its mission of ensuring comfort during your stay with us. In case we failed, please let us know so we could correct this concern. I would like to ask your kind person to advise us until the 30th day of April 2025, if you're going to renew your contract or not. **Please fill up the form below and submit it to the guard.**

This school year 2026-2027, we would like to accommodate students who want to reserve with us. In lieu of this, we would like to know the vacant rooms we can offer.

In this regard, please be advised that for renewing tenants we need to receive the POST-DATED CHECKS on or before the end of June 2026.

For non-renewing, I would like to thank you for your stay and may it have been a pleasant one. Please advise us so that we could have your slot be allocated to incoming tenants and have your things clear upon termination.

Sincerely,

David S. Serapio
